Welcome to Neighbourhood Watch Area 14

Once again we have new residents, particularly in the Hundred Hills and Sovereign Heights estates. As we are the only Neighbourhood Watch area in Murwillumbah, it is imperative that we continue to meet four times per year to discuss any problems that may occur in our community and to help keep our 'crime report' as low as possible.

To all our new residents, you are most welcome to attend our meetings, stay for supper and 'meet the neighbourhood'. We begin at 7PM and finish by 9PM.

Please mark your 2011 diary with the following dates:

May 11th, August 10th and November 9th

Can you give two hours, four times per year to your community?

Our guest for February is Kevin Johnson. I'm sure this will be an inspiring talk as Kevin tells us of his climb up Mt Kilimanjaro, the highest mountain in Africa.

We hope to see you on the 9th of February at 7PM

- Marilyn

INTERNET SHOPPING

The Internet offers a whole new shopping experience. It increases your shopping choices and the range of products available by letting you shop around the world without leaving home. But remember, all the sensible rules of shopping still apply, such as:

- know who you are dealing with
- compare prices
- make sure you know what you are getting for your money

The following provides a list of things to consider when shopping on the Internet:

- always be wary of offers that appear too good to be true
- Never deal with retailers who are evasive and won't give contact names and addresses
- always phone or email retailers directly and ask about the goods and services they provide when dealing with them for the first time
- check their refunds and returns policy
- check the freight or delivery method and costs
- check issues like exchange rates of currency between countries, sales tax and import duties
- check the legality of importing goods from overseas with Australian Customs Services

Seniors Card

When getting out and about, take advantage of benefits offered by a Seniors Card. You are eligible to apply for a Seniors Card if you are a New South Wales permanent resident aged 60 years or over, and are not working more than 20 hours a week. There are currently over 850,000 card members in NSW.

You can receive substantial discounts on goods and services ranging from accommodation, travel, clothing and electrical goods to garden supplies, computers and car hire

BURGLARS

Did you know that...

Most home burglars are spur-of-the-moment opportunists? They just see an opportunity and take it. In 16 per cent of home burglaries reported to police, burglars entered through an unlocked door or window. Most home burglars are not collectors. They don't want to own or keep your goods. They just want to take as much out of your house as they can and sell it as fast as they can, for as much money as they can get.
