# Welcome to Neighbourhood Watch Area 14

Welcome to our last meeting for the year.

We have a very interesting guest speaker, Matt Armstrong, an overseas aid worker with Doctors Without Borders.

With the Christmas holiday season soon upon us it is very important to take special care with property. Long summer afternoons and unlocked front doors make for very 'easy pickings' for thieves. Also please ask the neighbours to keep watch if you are going away.

As this is our Annual General Meeting I sincerely thank our Executive, Mary (Sec) and Gordon Loma (Publicity Officer) who organises our guest speakers.

Please join us and stay for supper. Seasons greetings to all our Bray Park residents

- Marilyn

Recently we attended the launch of 'Eye Watch'. This is a new NSW Government and Police initiative for residents of all ages who use Facebook. 'Eye Watch' is giving all residents the ability to participate in crime prevention, on-line, in their homes, 24 hours a day, 7 days a week. 'Eye Watch' gives residents who are aware of neighbourhood incidents the ability to voice their concerns, obtain feedback and be part of the solution. Please note that this is NOT FOR EMERGENCY REPORTING, still dial 000. To report go to Facebook and type in Tweed/Byron LAG (Local Area Command).
