### **GOOD NEWS**

**Crime on the Tweed Coast during December was noticeably down, this is a good trend and we hope that the graph continues its downward trend.**

**Assaults unfortunately are still a concern; it is a pity to see people in the community who have aggressive natures.**

**Break Enter and Steal all good, Police seem to be on top of these crimes at the moment. December can be a difficult time for police on the coast but December 2013 has seen some improvements.**

**But as we always warn do not get lax with your security the picture can change very quickly. JANUARY – Another Break & Enter at NOBLE PARK, police informed. Another attempted Police NOT informed you have to ask WHY NOT??????.**

### **INTERESTING**

I was advised that recently people arrived at Noble Lakeside Park thinking it was a park for the public to enjoy. They had made themselves at home on the grass near the lake having a picnic. My informant did advise that this family was advised by a resident that the area was not a park for the public, the family apologised and left.

Fortunately these people were not out to cause problems, but it does show that strangers are coming into Noble Park and not all of them are to be trusted as we all know from the past.

**BE AWARE OF STRANGERS AND JUST KEEP AN EYE ON THEM AND ADVISE THE MANAGER SHOULD YOU BE CONCERNED. AFTER HOURS CALL THE POLICE.**
