CRIME AT NOBLE PARK AGAIN

There is not a month go by where I have not brought to your attention the stealing from homes here in the park. Yes I am sorry to report it has happened again, one of our ladies living alone was at the back of her house hanging out her washing, when an intruder let himself in the front door and stole her credit card and medication. Police were called as suggested by yours truly who took all the details of the culprit and his bike. **Please be on the watch for a male wearing a yellow helmet on a red small motorbike, the thief has a beard a fluoro greenish jacket and very hairy legs, the bike carried yellow number plates. Should anybody see a person fitting this description contact the police immediately as it is important that this person be apprehended. The police reinforced that people in Noble Park must always contact police should they be a victim of a crime.**

IF YOU SHOULD BE OUT THE BACK OF YOUR HOUSE MAKE SURE ALL YOUR FRONT DOORS ARE LOCKED.

Other reports that came to me – A missing bike believed stolen – A resident contacted me regarding suspicious behaviour going on in the back paddock after dark, with unknown people hammering, these people were carrying torches and obviously hammers. The resident was very concerned and I advised him to contact local police.
