GRAFFITI

Graffiti is a Crime and the people that involve themselves in this anti social behaviour could wind up in Jail. Yet the problem keeps arising, you would have noted that Kingscliff Shopping Centre recently came under attack costing many hundreds of dollars to clean up, plus around our streets you see evidence of this bad behaviour. Arrests have been made re the Kingscliff Shopping Centre graffiti attack. Police would like the public to report any instances of this behaviour they see taking place.

LOCAL STEALINGS

Some Marine Parade shops and Restaurants were the victims of break and enters and stealing police are investigating these issues.

ANOTHER NEW NHW GROUP IN KINGSCLIFF

We are pleased to advise that another Neighbourhood Watch Group has been formed in the Channell Place area of Kingscliff. As we all know Kingscliff is now a very large area so we need these new groups so as we can keep the community informed on safety issues, and the importance of observing and reporting to police. I would like to thank the community members who have put their hand up to carry out this important work.
