WATCH OUT FOR FIRE BUGS

The weather is hotting up and the scrub is drying out, and already the Rural Fire Service suspect fires have been deliberately lit. Your neighbourhood Watch suggests strongly that if you see a person or people acting suspiciously in or around bushy areas the public are advised to call Crime Stoppers or 000. Peoples homes can be lost and a lifetime of memories gone forever. So help the RFS and Police to help stop this criminal behaviour.

STEALING FROM CARS

This problem is on the rise again along the coast from Wooyong to Fingal. People MUST NOT LEAVE ANYTHING OF VALUE in their cars if they do the chances are those items may not be there when returning to the vehicle. Danger areas for this sort of crime are parking in pubs, clubs, shopping precincts, beaches, and even quite back streets. Remove all your valuables from your car or leave them at home when parking in areas nominated. Police are doing a great job at the moment with patrols in place which are known crime spots. Assist the police by leaving nothing in your car of value.

KEEP YOUR DRIVE KID SAFE

The possibility of a young child being run over in a driveway at Noble Park would be a rare possibility. But as we all know some residents do have young children visit, and it is worth a reminder about these young folk who may be allowed to play in the driveway, if parents or carers allow this it could be a very dangerous practise. If you have youngsters playing around the car when the car is reversing, make sure an adult is on hand to supervise the kids are not run over. This problem has happened from time to time as we all know as these tragic accidents have been widely reported in the media. **KEEP YOUR DRIVE KID SAFE** when your family or friends visit.
