This Newsletter has been classified by NSW Police as NOT JUNK MAIL.

Welcome to Neighbourhood Watch Area 14

This is your area, these bulletins are only delivered to the area in which you live, Bray Park, Hundred Hills, Bellevue Heights, Golden Links Estate, Countryside Estate, Sovereign Heights these are all the areas west of Barnby street. We deliver over 1600 homes in an ever increasing area, we are the only Neighbourhood watch area in Murwillumbah. and we would greatly appreciate if you can give 2 HOURS of your time ,ONLY four times a year to join WITH YOUR COMMUNITY to discuss any problems in the area and to be with your Neighbours!!

As this is our AGM we especially ask that you attend and help us through 2014, We need a little help with non time consuming jobs., remember we only meet 4 times per year.

There is some very interesting information in this bulletin regarding your mobile phone..please read carefully, it may be very helpful in an emergency situation.

Our guest this meeting will be from the Murwillumbah SES, we will be informed of their roll in the community when emergencies happen in our areas.

MOBILE PHONE INFORMATION

THINGS YOU PROBABLY NEVER KNEW YOUR PHONE COULD DO!!!

1) EMERGENCY NUMBER WORLDWIDE is 112

free service worldwide, works even if phone is LOCKED and out of RANGE

2) IS YOUR BATTERY FLAT???

All phones have a hidden battery power, to activate press *3370# this will give 50% increase in battery and will recharge when next you charge your phone.

3) LOCKED YOUR KEYS IN THE CAR!!??

If the spare keys are at home, call someone at home, if they press the unlock button close to the home phone while you are holding your mobile about (a foot) 30/40cm from your car door, the door will unlock!
Distance is no object, works thousands of kms apart

4) ATM REVERSAL PIN NUMBER

Should you be forced to withdraw at a ATM, put your number in backwards! The machine recognises the card ,and that the number is in the right sequence BUT backwards, the machine will give you the money but it will immediately alert police who will be dispatched to the area.

Have you just learnt something?

SCAMS! SCAM WARNING!

2 LOCAL SCAMS THIS MONTH

- 1) Door knockers telling you they are working nearby and have leftover bitumen and will do your drive at a reduced cost !! STOP this is a scam !!!
- 2) Microsoft wanting to update YOUR computer. Tell them it broke down years ago and wasn't replaced.. they soon hang up !!
- 3) Govt officer from tax office wanting to refund \$5500.00 to your account???

(Sound fishy from the start) Tell them your husband is a police officer and the line is recorded for scams. They certainly hang up fast !!!
