ANNOYING ISSUES AT NOBLE PARK

In the past few weeks some issues have surfaced annoying the residents on the receiving end which is understandable. It does appear that somebody has been tampering again with the caravans in the parking area I have been advised that items had been removed from the exterior of a van (Theft/Malicious Damage) both crimes. I WONDER IF THE LOCAL POLICE WERE INFORMED ?. Another Mystery. People have told me that their delivered pre paid newspapers are going missing from the mail room, in some cases it has happened more then once.

I had a lady resident who lives alone ring me quite upset and nervous about prank calls, at times she advised me that the calls were at 2:30 in the early hours of the morning and what could she do?. The calls were not threatening in any way if they had been she could have made a complaint to police. In this instant I suggested she phone Telstra help line 13 22 00 to see what help the phone company can suggest. These are niggling problems for the people on the receiving end nevertheless these things should not happen but unfortunately they do.
