THE WARM WEATHER HAS ARRIVED

And with it brings out the opportunistic thieves and we must be aware that Kingscliff is not crime free and we must remember that theft from the home is not always the other person it could be you. NHW has a free safety gift for anyone that has a hinged door at the entrance to their home (Note not a sliding door). I have a few door alarms that come with a 9 volt battery they sit on the floor behind the door that is ajar and should anybody try to enter your home by pushing the door open the alarm will activate. There is no wiring or screwing just set in place and switch on the unit retails for \$12 if you see me you can have one for FREE courtesy Tweed Valley NHW. Come and see me I am at site 173 be quick the few I have will go quickly.

TIPS

Dowling is cheap great to place in the groove of your sliding window or door to keep you safe, just cut to size, just enough to give you airflow and keep uninvited people out.

Our people that live alone at Noble Park do not leave handbags, wallets, money sitting in full view on the table or bench top this is inviting problems.

Being aware keeps you safe, just give thought to your personal safety at all times.
