### New Neighbourhood Watch Signs

Pottsville Beach Neighbourhood Watch has been able to have new signs erected in Black Rocks, Sea Breeze and Koala Beach, as well as on the main roads leading into Pottsville Beach. The signs have been supplied and erected by Tweed Shire Council. This is greatly appreciated by the members of our local group.

It is hoped that with this visual reminder, residents and visitors will be aware of our local environment. We aim to build a safer community, that enhances effective communication and develops community spirit.

### Why Neighbourhood Watch?

Neighbourhood Watch works towards a safer community. It helps to:-

- Reduce crime in your community
- Improve communication between yourself, police and your neighbours
- Encourage the reporting of crime and suspicious activity to police
- Improve the quality of information provided to police
- Assist police to improve and maintain personal safety and household security within the community
- Deter criminal activity by increasing the probability of apprehension
