Neighbourhood Watch – Area 14

This Newsletter has been classified by NSW Police as NOT JUNK MAIL.

Welcome to OUR Neighbourhood Watch

Welcome to OUR Neighbourhood Watch.

As we come to the end of another year we thank our advertisers and those who have supported us during 2015, as this meeting is our AGM, thank you to our secretary Loma and publicity officer David for their help.

This newsletter is bought to you with the help of our advertisers, please support the businesses on our back page, without them this community service would not be available

This is our area, these bulletins are only delivered to the area in which we live.

We have new homes popping up each week, we cannot deliver to each and every home but we do our best with the funds available, please mention our meeting to your friends in case they have missed this delivery.

Welcome to you all, we hope that you will take the time to join our group for 2 hours every 3 months, 2nd wed of .Feb, May, August and Nov.

These 2 hours make it viable for us to continue, we are the only neighbourhood watch in M/Bah and have been meeting for about 30years!! how many times have you joined us??

It is only with the support of our residents that we can continue, please come along for an interesting night on 11th November

With the Christmas season and holidays, not far away, we wish you all a very happy and safe time with your family.

This meeting our guest will be Sgt Paul Thiejung from Murwillumbah Police, he will be bringing us up to date information with all that is happening in this area..

SCAMS www.scamwatch.gov.au If not sure - check it out!!

The scam below has been around for a few months but still worrying our residents...

CALLER states you owe the tax dept, says police have search warrant etc...

DO NOTHING - HANG UP! A lady lost \$40,000 when in fact she owed NOTHING!!

ONCE AGAIN WE HAVE THE MICROSOFT SCAM GOING AROUND... Stating that your computer is at risk or sabotaged, say they can fix the problem by you 'pushing certain buttons'
STOP!! THIS ALLOWS ACCESS TO YOUR COMPUTER AND YOUR DETAILS

A NEW ONE... BE VERY CAREFUL

Delivery man comes to your door with flowers and a bottle of wine! Wow! You get excited, has no name of person sending this gift, chap says he is only the delivery man and needs delivery fee of \$3.50. You go get the cash, he says sorry not able to accept cash and anyway needs signature that person accepting gift with alcohol is over 18 yrs. You pay by credit card and sign! **NEXT DAY YOU FIND MONEY MISSING FROM YOUR ACCOUNT! YOU HAVE BEEN SCAMMED...** Tell your family and friends about this one, with Christmas coming up we often get gifts from our families!

SUMMER STORM SEASON JUST AROUND THE CORNER

Remember

1. Check the gutters to see they are free from leaves, these block the drains and can cause internal damage
2. Remove any items that can become flying objects in a storm
3. Remove overhanging branches
4. Have a family assembly point in case of emergency evacuation
5. Know where your insurance policies are kept
6. Remember to take your medication with you when evacuating

Has anything happened in your street which you would like to tell us about ??

Do you have any ideas for guest speakers ???

Please come along on November 11th at 7pm and let us know.
