Neighbourhood Watch – Area 14

This Newsletter has been classified by NSW Police as NOT JUNK MAIL.

# Welcome to OUR Neighbourhood Watch

For those new residents in our area..welcome.!

Spring is here and summer on the way. don't forget to close or lock the front door when out the back having a lovely cool drink and the BBQ. Thieves love unlocked doors...easy in and easy out and no-one heard a thing !!

Please be very aware of your Neighbours homes, there have been incidents in this area during the past few month, including break and enters. It is very easy to keep track of anything suspicious at a nearby home, jot down number plates if you think something is not o.k, better to have this info and throw out than not have it at all. Remember it could be your home next !!

Our Guest at this meeting will be Charles Bond from Multicap House, (the building not far from Mountain View Nursing home on Byangum Rd) he will be telling us just how the home is used ..when etc..

THIS MEETING WILL ALSO BE OUR A.G.M.

We deliver 1600 newsletters and finances do not enable us to deliver to every home. Please hand this newsletter to your friends and neighbours as they may have missed a delivery.

If you see something happening report it to the Police and ask for a INCIDENT REPORT NUMBER

These reports are where our crime statistics come from.

This newsletter is brought to you by the generosity of Thomas George MP and a donation from Neighbourhood Watch Australia. We are the only NSW group to get funding from NHW Australia.

The Print Spot continually supports us with printing which is greatly appreciated.

Don't forget to support those businesses that advertise on out back page.

We only meet 4 times per year, join us at 7pm home by 9pm.
