Neighbourhood Watch – Area 14

This Newsletter has been classified by NSW Police as NOT JUNK MAIL.

Welcome to OUR Neighbourhood Watch

Welcome to our Neighbourhood Watch
This has been a year that has brought so many hurdles to us all.

Like all the other community groups we have been unable to hold our regular meetings every three months.

With that in mind we have decided to produce this newsletter to help with current scams and remind you all of seasonal issues.

Please be watchful of your neighbour's home, there have been MANY incidents reported on Murwillumbah Matters face page, including break "n" enters, and thefts.

If you see something happening, report it to the Police and ask for a INCIDENT REPORT NUMBER

These reports are where our crime statistics come from,
it also helps Police to do extra patrols if required.

DON'T FORGET YOU ARE THE EYES AND EARS FOR YOUR STREET, AND OUR COMMUNITY..

With COVID-19, having certain restrictions upon us all, please remain careful and stay safe at all times, you are a very important part of our neighbourhood.

OUR AREA CONTINUES TO HAVE AN INCREASING NUMBER OF INCIDENTS

DID YOU KNOW ???? important information

Recent scam mentioned on "A Current Affair", locals have also had this call...}

Call begins with person claiming to be from the National Securities Commission...they say your credit card has been used !!...often know where and when...!!

They ask you to help the bank catch the criminals...even say they will put you through to the bank ????

SCAM.. SCAM..HANG UP

Some people have lost thousands of \$\$\$\$.. beware!

Similar scam to the above, they say your card has been used..and ask you to verify the card number !!

..sounds simple..do NOT give them your number ,they don't have it to begin with ! **HANG UP**

SERVICE NSW had their computer system hacked a few months ago, remember this service does NOT call you, be aware and do NOT answer any questions..**HANG UP** .

Summer is here, permits required for all fires.

Do you have the **EMERGENCY + APP** on your phone..this is vital in an emergency as it automatically gives your location .. download now..

Great asset in accidents, bushwalkers, ambulance etc

Another very good APP is the **COVID-19** contactless community tracer..this is a QR code that enables you to be traced if required...go to covidtracer.com.au

This app is used instead of signing in to venues. Use this to help stop the spread !!

STORM SEASON ...

Good idea to place these in a sealed, waterproof plastic bag. ...readily a/v if needed quickly **SES** phone **132 500**
Not all Fire fundraisers are legit be careful, know where your donation is going

POLICE WARNING..

It is an offence to have a mobile phone in your hand (while in your car) even at a drive through.. This also includes the **PASSENGER** **NSW** fine \$344.00 and 5 demerit points
